51st Annual Meeting
American Society of
Head & Neck Radiology
Head and Neck Imaging in the City of Lights

September 16 – 20, 2017
(Saturday - Wednesday)
Caesars Palace
Las Vegas, Nevada

Hands-on US and US-Guided Workshop
Sponsored by Hitachi Aloka Medical America, Inc.

Tuesday, September 19, 2017
Separate Registration Required
Registration Limited to 20 Attendees Per Workshop
Not accredited for AMA PRA Category 1 Credit(s)™

Call for Abstracts at www.ashnr.org • Deadline: May 19, 2017
From The President-Elect and Program Chair

On behalf of the American Society of Head and Neck Radiology, I would like to personally invite you to Las Vegas, Nevada for the ASHNR 51st Annual Meeting, from Saturday, September 16 - Wednesday, September 20, 2017. This meeting, titled Head and Neck Imaging in the City of Lights, will feature over 60 head and neck imaging speakers, including well-known experts and new rising stars in the field. These experienced educators will provide clinically relevant lectures on head and neck anatomy and pathology as well as advanced imaging techniques.

The meeting will begin with the Early Bird Temporal Bone and Skull Base Session on Saturday morning, September 16. Afternoon programming will cover orbit and glandular imaging. Sunday, September 17 will open with a SAM session covering a variety of head and neck topics, followed by lectures on temporal bone and skull base. Sunday afternoon will cover head and neck cancer topics, and will conclude with a beautifully produced Head & Neck Jeopardy game show. Monday, September 18 will open with more temporal bone and skull base topics, followed by a special session on value-added head and neck imaging, which will cover errors in radiology and ways to improve our clinical services. The day will conclude with a SAM session on clinical problem solving - cranial nerve pathology. Tuesday, September 19 will open with a session on head and neck anatomy and pathology, followed by a session on advanced imaging techniques. Afternoon sessions will cover topics in head and neck ultrasound and once again offer the popular unaccredited "Hands-on Ultrasound Workshop", where attendees have the chance to practice ultrasound-guided biopsy techniques on phantoms. The meeting will conclude on Wednesday, September 20 with two SAM sessions covering neck masses, sinuses and maxillofacial imaging.

There will be over 26 hours of education available to you. Four sessions will be submitted for SAM qualification.

Las Vegas is known for its myriad entertainment opportunities, shopping, wide variety of dining options and some spectacular nearby sightseeing and hiking opportunities. Caesers Palace is an iconic Las Vegas luxury hotel with upscale rooms, an eclectic assortment of top chef restaurants, six different luxurious pools, entertainment venues, the Forum shops and a world-class spa. The hotel has a prime location at the center of the Las Vegas strip. The ASHNR Closing Gala will be held at Heart, a club within the Omnia nightclub complex located on the Caesers Palace property. It is my pleasure and honor as the Program Chair to invite you to attend the ASHNR 51st Annual Meeting. Viva Las Vegas!

Rebecca S. Cornelius, MD, FACR
President-Elect and Program Chair
American Society of Head & Neck Radiology

Accreditation

Physicians: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Educational Symposia and the American Society of Head & Neck Radiology. Educational Symposia is accredited by the ACCME to provide continuing medical education for physicians. Educational Symposia designates this live activity for a maximum of 26.5 AMA PRA Category 1 Credit(s)™, including 1.25 AMA PRA Category 1 Credit(s)™ for the Early Bird Temporal Bone & Skull Base Session. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Self-Assessment Modules (SAMs): Educational Symposia has been granted Deemed Status by the American Board of Radiology (ABR). This allows Educational Symposia to develop and implement SAMs that satisfy ABR Part II MOC requirements.

Technologists: This program has been submitted to the ASRT. The number of Category A CE credits will be available approximately 30 days prior to the meeting. Please visit ashnr.edusymp.com or call 1-800-338-5901 regarding the availability of Category A CE credit.

Target Audience

- General radiologists seeking to improve their understanding and skills in head and neck imaging.
- Radiologists with an interest in head and neck imaging who wish to increase their knowledge of imaging and treatment of head and neck pathology.
- Dental and oral-maxillofacial practitioners with an interest in pathology and imaging of the face and adjacent soft tissues.
- Non-radiologists, including ENT physicians, head and neck surgeons, medical and radiation oncologists, and general surgeons, who are interested in head and neck cancer therapy and diagnosis.
- Allied health professionals, including physician assistants, nurses, nurse practitioners and radiology technologists with an interest in head and neck cancer and imaging.
- Physicians-in-training, residents and fellows pursuing careers in radiology, otolaryngology, and treatment of head and neck cancer.
Educational Objectives

Attendees should, at the completion of this meeting, be able to:

- Identify the anatomy of the temporal bone, skull base, sinuses and neck.
- Describe patterns of head and neck lymphatic cancer spread.
- Review the anatomy of cranial nerves and the clinical presentation of various pathologies affecting cranial nerves.
- Identify the imaging features and clinical significance of perineural tumor spread.
- Describe the common infectious and inflammatory processes that involve the orbit, neck, and temporal bone.
- Discuss uses of ultrasound in the head and neck including ultrasound-guided head and neck biopsy techniques.
- Describe the indications and clinical applications for perfusion and diffusion imaging of head and neck tumors.
- Determine the best imaging technique for staging of head and neck cancer.
- Identify sources for errors in head and neck imaging and potential paths to improvement.
- Discuss the benefits and limitations of PET/CT imaging for head and neck cancer.
- Recognize imaging features of various developmental lesions of the face, orbit, temporal bone, and neck.
- Evaluate emergent head and neck pathology.

No special educational preparation is required for this CME activity.

CALL FOR ABSTRACTS

CALL FOR ABSTRACTS for both Oral Scientific Papers and Electronic Educational Exhibits, including information, instructions and forms, are available on our website www.ashnr.org. Deadline for submissions is Friday, May 19, 2017.

Special Note for the Disabled

Educational Symposia (ESI) and the American Society of Head & Neck Radiology wish to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids and services. If you need any auxiliary aids or services identified in the Americans with Disabilities Act, please contact ESI at (800) 338-5901 or (813) 806-1000.

Disclaimer

Educational Symposia (ESI) and the American Society of Head & Neck Radiology as planners and presenters of this meeting claim no liability for the acts of any suppliers or the safety of any attendees while in transit to, from, or during this event or any optional activities. The total amount of liability, if any, for the meeting organizers is limited to a refund of the registration fee.

**Session 9 - Value-Added Head & Neck Radiology: Errors & Pathways to Improvement**
Moderators: Barton F. Branstetter, IV, MD, FACR & Edward J. Escott, MD

10:05 – 10:40   Errors in Radiology
Christine M. Glastonbury, MBBS

10:40 – 11:05   Avoiding Errors in Head & Neck Cancer Imaging
Lawrence E. Ginsberg, MD

11:05 – 11:30   Missed Cases in Head & Neck Imaging
Philip R. Chapman, MD

11:30 – 11:55   Dedicated Head & Neck Imaging Service
Patricia A. Hudgins, MD, FACR

11:55 – 12:20 PM   Head & Neck Tumor Conference: Lessons for the Radiologist
David R. DeLone, MD

12:20 – 1:30   Gold Medal Award Luncheon ✦
1:30 – 2:45   Scientific Paper Sessions I and II ✦
Moderators: Anthony M. Alleman, MD, MPH, Roy A. Holliday, MD, Claudia F.E. Kirsch, MD & Karen A. Tong, MD

Session 10 - SAM Session II: Clinical Problem Solving-Cranial Nerves
Moderators: Bronwyn E. Hamilton, MD & Michele H. Johnson, MD

2:50 – 3:15   Vision Loss
Tabassum A. Kennedy, MD

3:15 – 3:40   Facial Pain
Daniel W. Williams, III, MD

3:40 – 4:05   Facial Paralysis
Lindall R. Gentry, MD, FACR

4:05 – 4:30   Tinnitus
Bruno A. Policeni, MD, MBA

4:30 – 4:55   Hoarseness
Mari Hagawa, MD

4:55 – 5:00   Daily Announcements
5:00   End of Session

Tuesday, September 19, 2017

7:00 – 7:30 AM   Breakfast & Learn How-To Session ✦
Sponsored by Philips Healthcare

**Session 11 - Head & Neck Anatomy and Pathology**
Moderators: Bronwyn E. Hamilton, MD & Michele H. Johnson, MD

7:45 – 8:10   Masticator Space
Daniel E. Meltzer, MD

8:10 – 8:35   Parapharyngeal & Carotid Space
H. Christian Davidson, MD

8:35 – 9:00   Retropharyngeal, Danger & Paraspinal Spaces
Kelvin Shifteh, MD

9:00 – 9:25   Thoracic Inlet
Deborah L. Reede, MD

9:25 – 9:40   Refreshment Break and Visit Exhibitors

9:40 – 10:05   Scientific Paper Session III ✦
Moderators: Kristine M. Mosier, DMD, PhD & Mamin Muzaffar, MD

10:05 – 10:40   Dual Energy CT in Head & Neck
Reza Forghani, MD, PhD

10:40 – 11:05   Biological & Molecular CT Imaging
Suresh K. Mukherji, MD, FACR, MBA

11:05 – 11:15 PM   Perfusion & Diffusion Imaging
Ashok Srinivasan, MD

11:15 – 12:45   Annual Business Lunch Meeting ✦
(ASHNR Members Only)

12:45 – 1:15     Lunch on Your Own
1:15 – 1:30   Award Announcements - Case-of-the-Day, Exhibits and Oral Presentations ✦
Nancy J. Fischbein, MD

1:30 – 2:45   Scientific Paper Session III ✦
Moderators: Kristine M. Mosier, DMD, PhD & Moin Muzaffar, MD

7:00 – 10:00   Closing Gala at Heart Night Club at the Omnia (Caesars Palace)

Wednesday, September 20, 2017

8:00 – 8:30 AM   Continental Breakfast for Registrants

**Session 14 - SAM Session III - Neck Masses, Sinuses & Maxillofacial Imaging - Part 1**
Moderators: Rihan Khan, MD & Daniel L. Wannemacher, MD

8:30 – 8:55   Imaging of Cervical Lymphadenopathy in Children
Jennifer A. Vaughn, MD

8:55 – 9:20   Non-nodal Pediatric Neck Masses
Marla A. Ho, MD

9:20 – 9:45   Sinonasal Anatomy
Rihan Khan, MD

9:45 – 10:10   Sinonasal Tumors
Gregory D. Avey, MD

10:10 – 10:25   Refreshment Break and Visit Exhibitors

**Session 15 - SAM Session IV - Sinus & Maxillofacial Imaging - Part 2**
Moderators: Sugoto Mukherjee, MD & Osamu Sakai, MD, PhD

10:25 – 10:45   Sinus Surgery & Post Operative Sinus Imaging
Vijay M. Rao, MD, FACR

10:45 – 11:10   Understanding the TMJ
Dania F. Tamimi, BDS, DMSc

11:10 – 11:35   Facial Trauma
Edward P. Quigley, III, MD, PhD

11:35 – 11:45   Closing Remarks
Rebecca S. Cornelus, MD, FACR

11:45   End of Meeting

Faculty & topics subject to change.

* Session not accredited for AMA PRA Category 1 Credit(s)™ or Category A CE Credit(s)*

* This SAM session will be submitted for approval and is subject to change.
