56th Annual Meeting | American Society of

Head & Neck Radiology

Head and Neck Imaging on Top of the Rockies!

September 7 - 11, 2022

Gaylord Rockies Resort & Convention Center
Aurora, Colorado

30.5 AMA PRA Category 1 Credit(s)[™]

SAMs Credit Available

Call for Abstracts at www.ashnr.org • Deadline: May 31, 2022

FROM THE President-Elect and Program Chair

It gives me great pleasure to welcome one and all to the annual meeting of the American Society of Head and Neck Radiology (ASHNR) to be held from September 7-11, 2022, at the Gaylord Rockies Resort & Convention Center in Aurora, Colorado. The ASHNR annual meeting is the premier national conference specifically focused on head and neck imaging. This meeting provides a comprehensive educational experience in head and neck imaging and includes nearly 100 speakers and moderators from various institutions across academic and private practice settings. The past two virtual meetings in 2021 and 2020 attracted between 1000-1300 registrants and the two in person meetings prior to that in 2019 and 2018 drew around 500-600 registrants.

The sessions at the meeting are designed to attract specialists in Neuroradiology, both adult and pediatric, Head and Neck Radiology, Emergency Radiology and Pediatric Radiology. Apart from providing Continuing Medical Education credits, multiple sessions will also provide SAM credits that are important in meeting ABR Maintenance of Certification

requirements. The annual meeting is regarded highly by one and all as the venue for both obtaining and refreshing one's knowledge in head and neck imaging.

Standing at the edge of the Front Range, Gaylord Rockies Resort & Convention Center showcases the state's alpine charm and offers guests a welcome reprieve from the typical mountain resort stay. There are numerous family-friendly activities ranging from the thrilling Arapahoe Springs Water Park to an exciting lineup of different activities and entertainment. Guests can explore the beautiful Grand Lodge and its stunning mountain views, five delicious restaurants, bars, the world-class Relâche Spa, and a state-of-the-art fitness center. The resort also features over 500,000 sq ft of flexible meeting space, 1,387 modern guest rooms, and 114 spectacular suites. Our corporate sponsor partners will have specifically designed areas to showcase their products, interact with attendees and engage in fruitful discussions.

We hope you are as excited as we are in preparing for the ASHNR 2022 annual meeting and invite you to join this outstanding medical societal event that will provide high quality education in a relaxed environment and multiple opportunities for social events and networking.

Ashok Srinivasan, M.D., FACR

President-Elect and Program Chair
American Society of Head & Neck Radiology

Target Audience

- General radiologists seeking to improve their knowledge and skills in head and neck imaging.
- Radiologists with neuroradiology training or an interest in head and neck imaging who wish to further increase their knowledge of head and neck anatomy, imaging, and pathology.
- Non-radiologist medical practitioners, including otorhinolaryngologists, head and neck surgeons, medical and radiation oncologists, ophthalmologists, skull base surgeons, and general surgeons who are interested in head and neck cancer therapy and diagnosis.
- Dental and oral-maxillofacial practitioners with an interest in anatomy, imaging, and pathology of the jaws and adjacent tissues.
- Allied health professionals with an interest in head and neck cancer and head and neck imaging.
- Physicians-in-training, including residents and fellows pursuing careers in radiology, neuroradiology, otolaryngology, maxillofacial surgery, and/or any of the fields mentioned above.

Accreditation

Physicians: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Educational Symposia and American Society of Head & Neck Radiology. Educational Symposia is accredited by the ACCME to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 30.5 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Self-Assessment Modules (SAMs): Educational Symposia has been granted Deemed Status by the American Board of Radiology (ABR). This allows Educational Symposia to develop and implement SAMs that satisfy ABR Part II MOC requirements.

Educational Objectives

Attendees should, at the completion of this meeting, be able to:

- Recognize normal anatomy, developmental anomalies and various disease processes of the extracranial head and neck spaces, orbits and paranasal sinuses, anterior and central skull base, and the temporal bone.
- Learn about pediatric neck masses, the role for CT versus MRI in pediatric head and neck imaging and review pediatric HN emergencies.
- Learn about symptom approach to diagnosis of cranial nerve pathologies.
- Review lymph node anatomy and pathophysiology in the head and neck.
- Learn strategies to create a positive change including enhanced educational techniques, basics of grant writing and publication, promoting wellness and impact of advocacy efforts in Radiology.
- Stress the importance of medical education, health care equity and DEI efforts in promoting the field of Head and Neck Radiology.
- Revise the updated staging of head and neck cancer, learn the tips and tricks of post op neck tumor imaging and revise basic biopsy strategies.
- Discuss the state-of-the-art imaging of the head and neck with focus on technological advancements and utility of advanced imaging techniques.
- Recognize the importance of basic QI techniques, causes for errors, and the importance of a good quality report.
- Learn the basics of AI in Radiology applications, implementation strategies and barriers.
- Learn non-interpretive skills including financial stewardship, conflict resolution and the art of negotiation.

No special educational preparation is required for this CME activity.

ADA COMPLIANCE: Educational Symposia (ESI) and the American Society of Head & Neck Radiology (ASHNR) wish to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids and services. If you need any auxiliary aids or services identified in the Americans with Disabilities Act, please contact ESI at (813) 806-1000.

EARLY BIRD SESSION: Sometimes You Know It, Sometimes You Don't, So What???

Wednesday September 7, 2022 • 10:00 AM - 11:30 AM

Please join us for this year's Early Bird Session titled "Sometimes You Know It, Sometimes You Don't, So What???" (1.5 AMA PRA Category 1 Credits (s)TM). This 90-minute session will be an opportunity for registrants to present their most puzzling and perplexing cases for discussion with experts in the field of Head & Neck Radiology and with an audience of their peers. This is a great opportunity for everybody to learn how best to approach a challenging case, using knowledge of anatomy, imaging characteristics, and clinical medicine to help to narrow down the differential diagnosis. These cases will highlight the ways in which radiologists serve as essential consultants to our referring physicians and are meant to emphasize the added value of clinical-radiological correlation in our lives and the lives of our patients.

Please email your PowerPoint presentations with anonymized cases free of any patient identifiers to Ashok Srinivasan (ashoks@med.umich.edu) by August 1, 2022, at 11:59 PM PDT. Only cases submitted in advance can be accepted. Please carefully select the number of images, as the author presentation of each case will be limited to 3 minutes.

MEMBERS-IN-TRAINING & JUNIOR FACULTY RECEPTION

Friday, September 9, 2022 • 3:10 PM - 4:10 PM

Members-in-Training and Junior Faculty are invited to attend the Mentor Reception being held on Friday, September 9th. This reception will provide the opportunity for trainees to connect with ASHNR faculty and develop relationships with our outstanding mentors.

Pre-Registration is Required for Participation

Interested in being a Mentor? Contact Elizabeth George, M.D., Elizabeth.George@ucsf.edu

CALL FOR ABSTRACTS

CALL FOR ABSTRACTS for both Oral Scientific Papers and Electronic Educational Exhibits, including information, instructions and forms, is available on our website www.ashnr.org. Deadline for submissions is **Tuesday, May 31, 2022 at 11:59 PM PDT**.
