

CALL FOR ABSTRACTS

THE ASHNR IS NOW ACCEPTING ABSTRACTS FOR THE 2023 ANNUAL MEETING.
BOTH SCIENTIFIC AND EDUCATIONAL ABSTRACTS ARE ENCOURAGED.

<https://ashnrabstracts.com/>

Deadline: May 31, 2023

A. SCIENTIFIC PRESENTATIONS

Hypothesis-driven research intended to be presented as a 6-minute oral podium presentation.

B. EDUCATIONAL EXHIBITS

Visually-oriented educational presentations designed to teach and/or review topics related to head and neck imaging. They are presented as multi-slide PowerPoint Presentations.

ABSTRACT GUIDELINES

- Abstracts should be submitted via the web site (<https://ashnrabstracts.com/>) by May 31, 2023.
- Presenters of accepted abstracts **must register for the ASHNR Annual Meeting**.
- Please choose one submission category:
 - Pediatric/Congenital
 - Sinus
 - Orbit
 - Face
 - Cranial Nerves
 - Temporal Bone
 - Skull Base
 - Neck
 - General/Other
- Scientific Presentation abstracts should use the format: Purpose, Methods, Results, Conclusions.
- Educational Exhibit abstracts should be a summary of the planned presentation and a list of educational objectives

- Case Reports or Case Series should be submitted as Electronic Exhibits
- Maximum abstract length: 400 words, not including title, authors, images, and figures.
- Changes can be made to submitted abstracts until the deadline.
- Multiple abstracts on different topics may be submitted.
- At least one reference is required, and up to five references may be included. You may include your reference within your abstract or as an attachment.
- Charts, tables and graphics are encouraged if relevant to the research and are submitted as separate files.
- Only one attached file can be an image file, with a maximum of four parts
 - Minimum file resolution is 1000 x 1000 pixels
 - Maximum file size is 10 megabytes.
 - Only jpg and gif formats are accepted.
- Abstracts submitted as Scientific Presentations may be re-assigned as Educational Exhibits at the discretion of the ASHNR Education Committee
- Only oral scientific presentations are considered for the Radiologist-In-Training award, with a \$1000 stipend provided upon submission of the winning scientific paper to the American Journal of Neuroradiology (AJNR).

ABSTRACT REVIEW PROCESS

- All abstracts will be reviewed by members of the ASHNR Education Committee.
- Detailed guidelines for presentation will be provided upon abstract acceptance.
- The ASHNR recognizes top presentations with a variety of awards. These include Best Educational Exhibits Awards, Certificate of Merit Awards, an In-Training Award for oral presentation, and one or more Fan Favorite Awards for case exhibits.
- Technical questions may be addressed to Educational Symposia (ashnr@edusymp.com)
- Content inquiries may be addressed to the Chair of the ASHNR Education Committee, Dr. Ashley Aiken ashley.aiken@emoryhealthcare.org
